WORK CERTIFICATE

This is to certify that Mr./Ms. Shaikh Mohammadnofil , a student of MCA 2nd Year at Pondicherry University, has successfully completed his/her project work at Zerorisk Labs as part of the academic curriculum.

He/She has been associated with our organization as a Cloud Security Intern from 20th November 2024 and will continue until 19th May 2025, under the guidance and supervision of Mr. Zuhef Ahmed, Security Head of Zerorisk Labs.

During this period, the intern undertook the implementation of a project titled:
"Cloud-Based Ransomware Detection and Recovery System"

As part of this project, the intern was actively involved in:
·Designing and deploying a cloud-based architecture to detect ransomware activity in real-time
·Conducting tests and simulating ransomware attacks to evaluate detection accuracy and response efficiency

We acknowledge and appreciate the successful completion of the project work and extend our best wishes for future success.
